Current law, for these purposes, defines “a publicly owned treatment works serving a small community.” This bill, for purposes of the exception, would instead define publicly owned treatment works serving a small community as a publicly owned treatment works serving a population of 20,000 persons or fewer or a rural county, with a financial hardship.

**Summary:** Current law authorizes a court or agent of the court to impose a fee, subject to Judicial Council approval, for the use of a credit or debit card or electronic funds transfer, as specified. Existing law, for purposes of this provision, deems an electronic filing service provider who is required to collect and remit a filing fee or other court fee to complete an electronic filing transaction to be an agent of the court solely for that purpose, unless otherwise specified. This bill, in case of a duplicate payment by a party or an electronic filing service provider submitting a payment on behalf of a party, would require the court to issue any appropriate refund to the entity that made the most recent payment. The bill also would make a conforming change.

**Current Text:** Introduced: 2/17/2017  [Text](#)

**Introduced:** 2/17/2017

**Status:** 5/12/2017-Failed Deadline pursuant to Rule 61(a)(3). (Last location was JUD. on 3/9/2017) (May be acted upon Jan 2018)

**Location:** 5/12/2017-S. 2 YEAR

**Summary:** Current law establishes, for contracts entered into on or after January 1, 2017, a claim resolution process applicable to any claim by a contractor in connection with a public works project against a public entity. Current law defines a claim as a separate demand by the contractor for one or more of the following: a time extension for relief from damages or penalties for delay, payment of money or damages arising from work done pursuant to the contract for a public work, or payment of an amount disputed by the public entity, as specified. In the case in which a claimant disputes the public entity’s response or the public entity fails to respond, current law requires a public entity to schedule a meet and confer conference for the settlement of the dispute. This bill would require the public entity to, instead, conduct the meet and confer conference within that some period.
